SUSQUEHANNA ART MUSEUM

AT THE MARTY AND TOM PHILIPS FAMILY ART CENTER

***FUTURE PLACES* INSPIRES ARTISTS AND VIEWERS**

Harrisburg, PA – What does a better future look like to you? Susquehanna Art Museum challenged artists to render their vision of a promising future for the 7th Annual Juried Exhibition. We believe that artwork addressing this theme can bring the viewer one step closer to imagining a better world.

The artworks selected by juror Dr. Julie Wosk are full of innovation and hope. Common themes found in *Future Places* include the importance of preserving the environment, development of new inclusive technologies, and the desire for a more equitable society. The wide variety of media used by the 23 featured artists incorporates sculpture, video, quilting, painting, and interactive design in surprising combinations and with forward-thinking vision. *Future Places* is on view in the Lobby Gallery and DeSoto Family vault through October 16, 2022.
